As a global player, **Messer** offers its sustainable products and services in Europe, Asia and America.  
**For our European team** we are looking to immediately fill the position as

## **CIO Europe (m/f/non-binary)**

**Location: greater Frankfurt area, Germany / hybrid**

**Reference Number: E-02/2024**

### **What we offer:**

- Playing a key role in an international, successful, and financially stable company
- A dynamic, supportive and inclusive work culture that values innovation and where your dedication is held in high esteem
- Unique opportunity for professional growth and development due to engaging and challenging tasks with the opportunity to take on responsibility
- Empowering your skills through tailored training programs
- A competitive salary and a comprehensive benefits package
- Hybrid work model
- Modern work environment (e.g. gym, company canteen)
- 30 days annual leave

### **Your responsibilities:**

- Responsible for the IT organization in Europe
- Lead and mentor high-performing IT teams, fostering innovation and collaboration with energy and passion
- Lead and manage SAP process and system harmonization project across all European countries
- Strong service provider management based on clearly set expectations, service levels and KPIs
- Ensure SAP S/4HANA readiness and manage transformation, implementation and rollout in Europe
- Oversee implementation and maintenance of robust and integrated IT systems, ensuring scalability and security including a demand management process
- Ensure implementation of global policies and compliance standards in close collaboration with the Head of Global IT
- Responsible for contract management for all IT-contracts on European level
- Closely collaborate with Digitalization Head
- Own OPEX and CAPEX budget for the European IT

### **Your profile:**

- Bachelor's degree or higher in Business, Information Technology, or a related field
- Multiple years of experience in IT ideally in an international setting
- Multiple years of experience in managing and motivating teams
- Proven success in leading cross-functional teams and delivering projects on time and within budget
- Proven experience managing end-to-end SAP implementations, including process harmonization
- Proven track record managing external IT service providers
- In-depth understanding of state-of-the-art IT architecture and IT strategies
- Full professional proficiency in spoken and written English and German
- Willingness to travel: Europe-wide (20-30%)

### **Does this describe you, and are you interested in this position?**
